The Certificates are offered to the public in Italy for subscription from and including 20 May 2013 to and including 18 June 2013, save in the case of early ending or prolongation, as the case may be.

Unless stated otherwise herein, capitalised terms used herein shall be deemed to be defined as such for the purposes of the Terms and Conditions set forth under the heading “Terms and Conditions of the Italian Certificates” (the “**Conditions**”) in the Base Prospectus dated 19 June 2012 (the Base Prospectus) (which (as supplemented by the supplement dated 27 June 2012 (the **Supplement**)) constitutes a base prospectus for the purposes of the Prospectus Directive (Directive 2003/71/EC) (the **Prospectus Directive**) as amended (which includes the amendments made by Directive 2010/73/EU (the 2010 PD Amending Directive) to the extent that such amendments have been implemented in a Member State)). This document constitutes the final terms (the **Final Terms**) of the Certificates (the **Certificates**) described herein for the purposes of Article 5.4 of the Prospectus Directive and must be read in conjunction with this Base Prospectus and any Supplement; provided, however, that to the extent such Supplement (i) is published after these Final Terms have been signed and (ii) provides for any change(s) to the Conditions as set out under the heading “Terms and Conditions of the Italian Certificates”, such change(s) shall have no effect with respect to the Conditions of the Certificates to which these Final Terms relate. Full information on the Issuer, the Guarantor and the Offer of the Certificates is only available on the basis of the combination of these Final Terms and the Base Prospectus. Prior to acquiring an interest in the Certificates described herein, prospective investors should read and understand the information provided in the Base Prospectus and any Supplement(s) and be aware of the restrictions applicable to the offer and sale of such Certificates in the United States or to, or for the account or benefit of, U.S. persons. The Base Prospectus, any Supplement(s) and these Final Terms are available for viewing at Société Générale, Frankfurt am Main branch, Neue Mainzer Strasse 46-50, 60311 Frankfurt am Main, Germany and <http://prospectus.socgen.com> and copies may be obtained free of charge from this address.

The provisions of the Technical Annex apply to these Final Terms and such documents shall be read together.

The terms of these Final Terms complete and vary the Conditions of the Certificates set out in the Base Prospectus. The Conditions so completed or varied together with the relevant provisions of these Final Terms will form the Conditions applicable to this Series of Certificates (the **Completed Conditions**).

The information included herein with respect to indices and/or formulas comprising, based on or referring to variations in the prices of one or more share(s) in companies, any other equity or non-equity

securities, indices, currencies or currency exchange rates, interest rates, dividends, credit risks, fund units, shares in investment companies, term deposits, life insurance contracts, loans, commodities or bond or futures contracts, unit linked features (accounting units) or the occurrence or not of certain events not linked to the Issuer or the Guarantor or a basket thereof or any combination thereof to which the Certificates are linked (the **Underlyings**) consists only of extracts from, or summaries of, publicly available information. The Issuer and the Guarantor accept responsibility that such information has been correctly extracted or summarised. No further or other responsibility in respect of such information is accepted by the Issuer and the Guarantor. In particular, the Issuer and the Guarantor and the Dealer accept no responsibility in respect of the accuracy or completeness of the information set forth herein concerning the Underlyings of the Certificates or that there has not occurred any event which would affect the accuracy or completeness of such information.

No person has been authorised to give any information or to make any representation other than those contained in these Final Terms in connection with the issue or sale of the Certificates and, if given or made, such information or representation must not be relied upon as having been authorised by or on behalf of the Issuer or the Guarantor. The delivery of these Final Terms at any time does not imply that the information in it is correct as any time subsequent to this date.

The purchase of the Certificates issued under the Debt Issuance Programme is associated with certain risks. Each prospective investor in Certificates must ensure that the complexity and risks inherent in the Certificates are suitable for its investment objectives and are appropriate for itself or the size, nature and condition of its business, as the case may be. No person should deal in the Certificates unless that person understands the nature of the relevant transaction and the extent of that person's exposure to potential loss. Each prospective purchaser of Certificates should consider carefully whether the Certificates are suitable for it in the light of its circumstances and financial position.

The investor should only invest in the Certificates if it is able to understand the Terms and Conditions. All investors should be versed in respect of the Certificates and should particularly understand and comprehend the yield of the Certificates (*Leistungsversprechen*) promised by the Issuer and the Guarantor in its entirety. If this is not the case, an investment in the Certificates is not advised.

Prospective investors in Certificates should consult their own legal, tax, accountancy and other professional advisers to assist them in determining the suitability of the Certificates for them as an investment.

PART B – OTHER INFORMATION

1. LISTING AND ADMISSION TO TRADING

(i) Listing Not Applicable.

(ii) Admission to trading MPSCS undertakes to apply for the Certificates to be admitted to trading on the systematic internalization system (“SIS”) denominated “De@IDone Trading” (“DDT”), exclusively managed by MPS Capital Services Banca per le Imprese S.p.A., acting as sole manager (*negoziatore unico*), as regulated by the applicable rules and regulations (il “Regolamento”) published on the website www.mpscapitalservices.it, where, in relation to the Certificates, MPSCS shall be bound to make bid/ask prices which, with regard to the Issuer/Guarantor’s creditworthiness, will be determined as follows for the Placed Amount.

The bid/ask prices quoted by MPSCS shall reflect the prevailing market conditions as of the relevant purchase/selling date. In particular the 3 months EURIBOR will be increased by a spread determined as the asset swap spread of some specific Guarantor’s benchmark debt securities plus 0.30 per cent. The prices so determined, in case of purchase by the investor, shall be increased by a margin of up to a maximum of 0.35 per cent. of the amount to be purchased, and, in case of sale by the investor, shall be reduced by a margin of up to a maximum of 1.00 per cent. of the amount to be sold.

MPSCS accepts responsibility for the information contained in this Paragraph 1(ii).

2. RATINGS

Ratings The Certificates to be issued have not been rated.

3. NOTIFICATION and AUTHORISATION

The *Bundesanstalt für Finanzdienstleistungsaufsicht* (BaFin), Germany, has provided the *Commissione Nazionale per le Società e la Borsa* (CONSOB), Italy with a certificate of approval attesting that the Base Prospectus and the Supplement have been drawn up in accordance with the Prospectus Directive.

The Issuer and the Guarantor have authorised the use of these Final Terms, the Base Prospectus dated 19 June 2012 and any Supplements by the entities in charge of the distribution of the Certificates (the **Lead Manager** and the **Distributor**, as defined under paragraph 37 above, and, together, the **Financial Intermediaries**), in connection with offers of the Certificates to the public in Italy for the period set out in paragraph 12 below.

4. INTERESTS OF NATURAL AND LEGAL PERSONS INVOLVED IN THE ISSUE

Save for any fees payable to the Lead Manager and the Distributor through the Lead Manager, so far as the Issuer is aware, no person involved in the issue of the Certificates has an interest material to the Offer.

The Issuer and Société Générale expect to enter into hedging transactions in order to hedge the Issuer's obligations under the Certificates. Should any conflicts of interest arise between (i) the responsibilities of Société Générale as Calculation Agent for the Certificates and (ii) the responsibilities of Société Générale as counterparty to the above mentioned hedging transactions, the Issuer and Société Générale hereby represent that such conflicts of interest will be resolved in a manner which respects the interests of the Holders.

MPSCS and the Distributor are, with respect to the offer of the Certificates, in a position of conflict of interest with the investors as they are part of the same banking group (the Montepaschi Banking Group) and they have an economic interest in the distribution of the Certificates. MPSCS and the Distributor shall receive from Societe Generale, respectively, the Structuring Fee and the Distribution Fee, as specified under paragraph 37 above.

MPSCS is also in a position of conflict of interest for the following reasons, it acts as hedging counterparty of Societe Generale in relation to the Certificates, and it will act as Liquidity Provider, providing bid/ask quotes for the Certificates for the benefit of the holder of the Certificates. Also, the Certificates shall be admitted to trading on the systematic internalization system ("**SIS**") denominated "De@IDone Trading" ("**DDT**"), exclusively managed by MPS Capital Services Banca per le Imprese S.p.A., on which MPSCS acts as sole manager (*negoziatore unico*).

MPSCS accepts responsibility for the information contained in the third and fourth paragraphs of this Paragraph 4.

5. REASONS FOR THE OFFER, ESTIMATED NET PROCEEDS AND TOTAL EXPENSES

(i)	Reasons for the Offer	See "Use of Proceeds" wording in Base Prospectus
(ii)	Estimated net proceeds	Not Applicable
(iii)	Estimated total expenses	Not Applicable
(iv)	Taxes and other expenses	Taxes charged in connection with the subscription, transfer, purchase or holding of the Certificates must be paid by the Holders and neither the Issuer nor the Guarantor shall have any obligation in

relation thereto; in that respect, Holders shall consult professional tax advisers to determine the tax regime applicable to their own situation. Other expenses that may be charged to the Holders, *inter alia* by Distributors, in relation to the subscription, transfer, purchase or holding of the Certificates, cannot be assessed or influenced by the Issuer or the Guarantor and are usually based on the relevant intermediary's business conditions.

6. PERFORMANCE OF UNDERLYING, EXPLANATION OF EFFECT ON VALUE OF INVESTMENT AND ASSOCIATED RISKS AND OTHER INFORMATION CONCERNING THE UNDERLYING

Under these Certificates, the Holders will not receive any Interim Amounts during the term of the Certificates. At maturity, the Holders are entitled to receive an amount totally linked to the performance of the Underlying(s). The return under these Certificates is totally linked to the performance of the Underlying(s). The return depends upon the fact that the performance of the Underlying(s) reaches or does not reach a pre-determined threshold. Accordingly, a small downward or upward movement of the Underlying(s) close to the threshold may result in a significantly larger increase or decrease of the return of the Certificates. The return of these Certificates is linked to the performances of the Underlying(s) as calculated on pre-determined Valuation Dates, and regardless of the level of such Underlying(s) between these dates. As a result, the Closing Price of the Underlying(s) on these dates will affect the value of the Certificates more than any other single factor. Under these Certificates, at maturity, the Holders may not receive the amount initially invested. Holders are entitled to receive a Final Exercise Amount which may, in case of an adverse evolution of the Underlying(s) during the term of the Certificates, be significantly lower than the amount per Certificate initially invested.

From and including 20 May 2013 to and including 18 June 2013 in Italy, save in the case of early termination or postponement.

During such period, investors have the right to withdraw from the subscription without any charge or commissions, by means of communication to the Distributor.

The Issuer, subject to the agreement of MPSCS, may at any time and for any reasons early terminate or postpone the Offer Period. In such event, a notice to the investors on the early termination or the postponement, as applicable, will be published on the websites of the Issuer, MPSCS and the Distributor as specified under item 37 above.

(iii) Conditions to which the Offer is subject

The Issuer reserves the right, subject to the agreement of MPSCS, to withdraw the Offer and cancel the

issuance of the Certificates for any reasons at any time on or prior to the Issue Date. For the avoidance of doubt, if any application has been made by a potential investor and the Issuer exercises such a right, each such potential investor shall not be entitled to subscribe or otherwise acquire the Certificates.
