

Dimitri Bianchini

Graduated with honours in Economics and Business Administration from the University of Florence.

He obtained the G. Bartolomei Scholarship in Banking organised by Banca Toscana in collaboration with SDA Bocconi Milan, the Advanced Diploma in Banking and Finance from *ABI Formazione* and a Master's Degree in Credit Management from SDA Bocconi.

In September 1997 he joined Banca Toscana, where he developed his career by holding various positions of increasing responsibility in the network, both in the corporate and retail sectors, later becoming Regional Director.

He has been with Banca MPS since 2008, following the merger with Banca Toscana, and over the years has held the role of Regional Market Director (Corporate, Private, Retail) in various areas.

In 2016 he was appointed Retail Commercial Director of the Tuscan Regional Area, and in 2018 he was appointed General Manager of the same Regional Area, with responsibility for all Retail, Corporate and Private markets.

Later, in 2020, he was appointed General Manager of Central Italy (Lazio, Umbria, Marche, Abruzzi and Molise) with responsibility for all markets.

In 2021, he joined the General Management Division as Head of the Bank's Performing Loans Department, responsible for managing the core credit portfolio, as well as for credit risk management and operational monitoring of credit quality.

Since March 2024, he has been Chief Commercial Officer for Corporate and Private Banking.

Mr. Bianchini was Deputy-Chairperson of the Board of Directors of MPS Leasing & Factoring, a company belonging to the MPS Group.
