Lorenzo Boetti

After graduating in Mathematics, Mr. Boetti gained brief experience as a programmer analyst for a company that develops calculation procedures for accounting applications within the MPS Group.

In 2000, he joined Banca Monte dei Paschi di Siena S.p.A. through a competitive examination and spent approximately two years in Branch Network positions.

In 2002, following an internal competition, he joined the General Management Division as a Risk Management Specialist. In this role he developed models, conducted internal reporting and handled the maintenance and development of analytical tools.

In 2009, he was appointed Head of the Portfolio Model Sector and, over the years, took on roles with increasing responsibility within Risk Management, until 2017, when he was named Lending Risk Officer.

In 2021, the three areas - Lending, Finance and Operations - were merged and he was appointed Head of Risk Management, overseeing all risks and their integration.

Mr. Boetti has been Chief Risk Officer since 14 March 2025.

He is also a member of the Board of Directors of the Interbank Deposit Protection Fund.
